Dear Theresa

RE: HMIC Revisiting Police Relationships: Progress Report

I welcome this report, which underlines the Constabulary's commitment to provide a policing service to local people that is transparent and fair, with officers and staff acting with complete integrity and within the law.

The report details the extensive work that has been carried out to ensure policies and procedures are fit-for-purpose.

I am particularly pleased that the report acknowledges the proactivity of the Constabulary in ensuring that officers and staff have knowledge of these important areas.

I intend to ask the Constabulary to provide an update to me on progress in Spring 2013 to ensure that its policies, procedures and governance arrangements continue to be appropriate and effective.

Yours sincerely

Tim Passmore
Police and Crime Commissioner
